MOSTAFA ATTIA

AI / MACHINE LEARNING ENGINEER

Egypt | +20 155 673 8116 | atiamostafa@gmail.com
LinkedIn | GitHub | Portfolio

PROFESSIONAL SUMMARY

AI Engineer specializing in Computer Vision and Natural Language Processing (NLP). Built real-time detection and tracking systems with YOLO11 and ByteTrack, and segmentation pipelines with U-Net / U-Net++ in PyTorch, deployed as Streamlit apps. Highly skilled in NLP pipelines, including text preprocessing, word embeddings, sequence models, and Transformers. Seeking a Machine Learning or AI Engineering junior role.

TECHNICAL SKILLS

Programming: Python, SQL, C++
Machine Learning: Scikit-learn, CatBoost, Gradient Boosting, Feature Engineering, Model Evaluation
Deep Learning: PyTorch, Neural Networks, CNNs, Transfer Learning
Computer Vision: OpenCV, YOLO11, Object Detection, Image Segmentation, ByteTrack
NLP: Text Preprocessing, Word Embeddings, Sequence Models, Transformers
Data & Tools: NumPy, Pandas, Matplotlib, Git, GitHub, Jupyter Notebook, Streamlit

SELECTED PROJECTS

Real-Time Smart Parking Detection & Tracking

Built a real-time parking monitoring system using YOLO11, ByteTrack, and OpenCV for slot occupancy detection, vehicle tracking, and occupancy statistics. Deployed a Streamlit dashboard on Streamlit Cloud supporting image and video upload, with live occupied/free counts, occupancy percentage, and parking duration per slot.

Brain Tumor MRI Segmentation

Developed a segmentation pipeline using U-Net++ with a ResNet50 encoder in PyTorch, with preprocessing, data augmentation, and test-time augmentation. Reached IoU 0.8379 and Dice 0.9118 on the LGG MRI Segmentation dataset; served through a Streamlit interface.

Customer Churn Prediction

Built a churn pipeline with preprocessing, feature engineering, and model comparison; achieved ROC-AUC 0.8477 with Gradient Boosting.

EDUCATION

Kafrelsheikh University — Faculty of Artificial Intelligence

B.Sc. in Artificial Intelligence | Expected Graduation: 2028 | GPA: 3.3

CERTIFICATION

Computer Vision Certificate — National Telecommunication Institute (NTI) (July - August 2026)

LANGUAGES

Arabic (Native) | English (B2, Upper-Intermediate)
